2017 - 2018 WPB Water Savers Program Requirements

Applicant, Property and Equipment Requirements

- ❖ This program is open to West Palm Beach residential and commercial water utility customers only.
 - Toilets obtained through this program **must** be installed in the West Palm Beach water service area.
- ❖ Available only to properties built prior to 1996. New construction does not qualify for this program.
 - Toilets being replaced must currently consume 3.5 gallons per flush or greater.
- ❖ Applicants must provide their City of West Palm Beach utility account number.
 - Applicants applying under a master meter account, such as with multi-tenant buildings or condominium association, must supply the master water utility account number.
- ❖ Applicant's utility account (or property's master meter account) must be current with the City's Public Utilities Department at the time of application.

Program Information and Requirements

- ❖ This program will provide the applicant with a toilet voucher, for \$125 towards a toilet and associated installation equipment for each approved toilet to be replaced. Vouchers are valid for a limited time.
- ❖ This program is provided on a first-come, first-served basis until funding is exhausted.
- ❖ Deadline for applications and all supporting documentation is July 31st, 2018.
- ❖ All applications must be filled out completely. Errors or omissions may delay or disqualify the applicant from participating in the program.
- ❖ Approved applicants will be required to review the toilet flapper informational documentation. Toilet flapper and other water saving tips can be found on the web at www.wpb.org/savewater.
- ❖ Applicants will be contacted once the application has been processed.
- ❖ By signing this agreement, you agree to install the high efficiency toilet by program end date.

Commercial Applicant Requirements

- ❖ Commercial Applicants must be the property owner as shown by the Palm Beach County Property Appraiser at www.co.palm-beach.fl.us/papa, or other legal document, property manager, or authorized agent of the business with written consent from the property owner or manager through a lease or similar agreement to make modifications, renovations, or improvements to the property.
- ❖ Each applicant may receive up to four toilets per application. Applicants with multiple properties within the water service area may submit an application for each property to a maximum of three applications.
- ❖ New replacement toilets must have a maximum of 1.6 gallons per flush.

The City of West Palm Beach reserves the right to modify this program at its discretion at any time.
